

Education & Mentoring Working Group Meeting

January 17, 2009, 1-2:30 p.m.
Inquire Within, 516 Oak St., Sandpoint, ID

In Attendance: Debra, Cricket, Becky, Janet, Mark, Sarah, Chris, Gerald, Gloria

Outcome/Intent:

- Logistics for film night

Agenda:

1. Debra's report on the recent Core Group meeting, plus messages/requests from Karen Lanphear
2. Select film for the first film/discussion or lecture monthly event

Roles:

- Facilitator – Debra; Note Taker – Gloria; Contact person – Cricket

Debra's report: Core Group's role is to support the working groups (ie) spider web of communication back and forth. Request each group to develop a mission statement—STI-EDU has—and bring them to next Core Group meeting. The Core Group is still tuning its own mission. The Food Group is the largest working group, about 60 members.

Core Meeting Requests (Karen Lanphear) for STI-EDU:

- Be Responsible for Outreach for STI
 - Have monthly Outreach & STI Orientation Presentation/Meeting in community
 - Organize and/or sponsor other working group presentations, 1-2 per month.

These requests will be discussed at the next Education committee meeting. A predictable schedule of meetings would be an asset.

Discussed making STI-EDU materials/resources accessible—ideally, a collection of all STI materials—possibly locating a binder or periodical box in the library. *Gloria will look into the library possibilities.*

Film selection and planning:

LOCATION: LIBRARY

- Thursdays most available evening
- Agreed to reserve 3rd Thursday each month (2/19; 3/19; 4/16; 5/21; etc)
- Room holds 65 comfortably, up to 85 (90 out the door)

Discussed whether to show/present something that has already been shown in Sandpoint or to present something new and/or local. Both "Story of Stuff" and the William McDonough's film, "The Next Industrial Revolution," have been shown before. Agreed there is merit in doing both. Agreed to select a film that provides a general overview for our first presentation: "The Power of Community." We will preview it during the last hour of our next meeting so we can design our discussion format that will follow the film.
