

Building & Community Design Work Group
Sandpoint Transition Initiative
Meeting Notes – June 7, 2010

Place – Cedar Street Bridge Meeting Room

Attending: Erik Keller, Frank Wakelely, Bruce Millard

Discussion

- Notes from STI Core Group on their request for all workgroups to focus some energy and events on food.
- Reviewed and set times for Energy Audit
- Review 'Green Bits' - Reader article schedule and article ideas.
- Discussed revisions of working group name – Decided on

Decisions and To Do

- How to Focus on Food
 - Do an article on Edible Landscaping at Park Cottage Community in Sandpoint
 - Host a Edible Landscaping Tour at Park Cottages in August on a Saturday morning
 - Bruce to Contact Owners
 - Update since meeting: Owners of Park Cottages agreed to host a tour and agreed to a Green Bit article prior to the tour
 - Tour date set on August 14th in morning – time to be determine. Molly Lockwood we host and Bruce will arrange article and tour pr.
 - Article to be same week as tour.
- Energy Audit
 - Mayor agreed to host Energy Audit and Open house of her residence.
 - Bruce and Erik met with Mayor on Friday after this meeting
 - Audit date set on June 25th 2pm
 - Erik, Betsy, Aaron will work on audit. Bruce will organize and Frank will consult on fixes.
 - Zack of the Reader will attend to research for article
 - Martha to work with Avista to try to get them to come and organize their input at the Audit
 - Zack at the Reader agreed to write an article on the audit and publish it the week of open house event
 - Open house will be either July 10th or 17th. Bruce to finalize with all
 - Martha to work with Avista for PR and handouts.
- Green Bits
 - Reader agreed to host article – 450 words plus small photo
 - We agreed to 2 a month
 - Hoping to start first week of July
 - Gini and Bruce to write article intro and publish one week prior to starting series
 - Include inviting people to submit ideas to us
 - All members of group need to come up with ideas and write articles to keep this going. We have some in progress, but need more in the next few weeks.
 - Articles to include:
 - Green Bit, name, location and why people completed
 - Details on the Green element
 - Info on further information – web links, other locations, etc
 - Author will be STI Building and Community Design Working Group or STI/BCDWG
 - Edits and submission to be done by Gini - gini@shopsandpoint.com

Next normal scheduled meeting 6pm June 28th – location to be announced via email
